

Warranty Certificate

Warranty period: **24 Months**

DynOptic Systems Ltd warrants (subject to any provisions made by DynOptic Systems Ltd) that upon delivery, and for the warranty period (stated above) from the date of delivery, the products detailed above will be free from defects in materials and workmanship and be of satisfactory quality.

If any product does not comply with the warranties set out above DynOptic Systems Ltd shall at its cost and expense and discretion either:

- repair or replace the defective product.
- or give a full credit or refund for the price paid by the Buyer for the defective product.

In the event of a suspected defect the Buyer must:

- give written notice of any defect to DynOptic Systems Ltd, and (if the defect is as a result of damage arising during transit at the risk of the DynOptic Systems Ltd) to the carrier, within 14 days of the time when the Buyer discovers or ought to have discovered the defect.
- return any defective product to DynOptic Systems Ltd place of business at the Buyer's cost for examination of the reported defect.
- The Buyer must give DynOptic Systems Ltd a reasonable opportunity, after receiving the notice and the products, of examining any defective products.

DynOptic Systems Ltd shall not be liable for any of the above warranties:

- if any defect is attributable to further use of the product after the Buyer discovers or ought to have discovered the defect.
- if the defect arises because the Buyer failed to follow DynOptic Systems Ltd reasonable oral or written instructions as to the storage, installation, commissioning, use or maintenance of the product or (in the absence of such instructions) good trade practice.
- if any defect is attributable to fair wear and tear, abuse, improper use or use in an environment or for a purpose for which the product was not designed or intended.
- if the Buyer alters or repairs the product without the written consent of DynOptic Systems Ltd .
- if the defect arises as a result of DynOptic Systems Ltd following the instructions of the Buyer, in respect of the product, that are contrary to DynOptic Systems Ltd written or oral instructions, advice or recommendations.
